## A Call for Submissions

Special Issue: Color Wheel ~  
Cultural Heritages in the Twenty-First Century

CRAB ORCHARD REVIEW is seeking work for our Summer/Fall 2009 issue focusing on writing inspired or informed by the experiences, observations, and/or cultural and historical possibilities of the following topic: "Color Wheel ~ Cultural Heritages in the Twenty-First Century." We are open to work that covers any of the multitude of ways our ideas of identity, tradition, family, and place are challenged by an ever-changing world.

All submissions should be original, unpublished poetry, fiction, or literary nonfiction in English or unpublished translations in English (we do run bilingual, facing-page translations whenever possible). Please query before submitting any interview. **The submission period for this issue is August 1, 2008 through October 31, 2008.** We will be reading submissions throughout this period and hope to complete the editorial work on the issue by mid-February. Writers whose work is selected will receive \$20 (US) per magazine page (\$50 minimum for poetry; \$100 minimum for prose), two copies of the issue, and a year's subscription. Mail submissions to:
